SUBJECT INDEX

A

Abscesses
  retrocaecal peri-appendicular (case report), 166
  salmonella prostatic (case report), 163
Acupuncture in treatment of bladder instability, 490
Adenocarcinoma
  bladder, 29 years after ileocystoplasty (case report), 162
  caecum, in a caecocystoplasty (case report), 164
Adriamycin, intravesical, allergic reaction to (case report), 165
Aneurysm, perianeurysmal fibrosis causing scrotal swelling (case report), 537

B

Bladder
  Blu-Tack in (case report), 94
  cancer/carcinoma
    adenocarcinoma 29 years after ileocystoplasty (case report), 162
    association with urethral cancer. Is prophylactic urethrectomy indicated? 507
    cytokeratin shedding in urine as biological marker, 117
    following nephro-ureterectomy, 198
    grading in superficial tumours: cytogenetic classification, 135
    grading in superficial tumours: morphological criteria, 129
    in situ, chemotherapy, 326
    occupational, 175, 183
    papillary, along with inverted papilloma (case report), 162
    pre-emptive intravenous chemotherapy, 1
    primary malignant melanoma (case report), 359
    squamous cell, associated with intrapelvic foreign bodies (case report), 460
    superficial, external beam radiotherapy, 330
    transitional cell, cutaneous metastasis (case report), 164
  haemorrhage, control by internal iliac artery embolisation, 45
  ileocystoplasty *see* ileocystoplasty
  instability, acupuncture treatment, 490
  neck, detrusor dyssynergia, 32
  neurofibromatosis (case report), 364
  neuropathic, detrusor behaviour following implantation of Brantley Scott artificial sphincter, 122
  outflow obstruction
    detrusor bladder neck dyssynergia, 32
    detrusor instability and, 419
    in female, 36
  stones *see* Stones, bladder
  suprapubic endoscopy, 221
Bleomycin, in combination chemotherapy of metastatic germ cell tumours of testis, 53
Blu-Tack in bladder (case report), 94
Boari flap calicovesicostomy, indications for (point of technique), 367
Bone tissue, heterotopic, formation following operation on renal pelvis (case report), 458

Electrohydraulic shockwave lithotripsy in treatment of vesical calculi, 498
Emepronium bromide in treatment of female detrusor overactivity, 310
Endometriosis, ureteric obstruction secondary to, 201
Endoscopy, suprapubic, 221
Erection
Autonomic control and vascular changes, in monkeys, 510
see also Priapism
Ergometrine, topical, in management of bleeding following transurethral prostatectomy (case report), 263
Etoposide, in combination chemotherapy of metastatic germ cell tumours of testis, 53
Extracorporeal shockwave lithotripsy, methodology, results and complications in 2000 procedures, 9

F

Fistulae
bilateral vasocutaneous urinary (case report), 96
caliceal-peritoneal, complicating percutaneous biopsy of a transplant kidney (case report), 533
uterovesical, in patient with VATER syndrome (case report), 361
vesico-uterine, cyclic vesical bleeding in (case report), 531
Flutamide
in combination therapy of prostatic carcinoma in patients relapsing after castration, 341
comparison with stilboestrol in management of advanced prostatic cancer, 140
Foreign bodies
bladder, Blu-Tack (case report), 94
intrapelvic, and sqamous cell carcinoma of bladder (case report), 460
Fournier's gangrene 450, 532
following vasectomy 538
Frequency and dysuria in women, treatment by urethral dilatation and cystoscopy alone, 500

G

Gangrene
Fournier's 450, 532
following vasectomy (case report), 536
penile (case report), 536
Granuloma, post-herniorrhaphy paravesical (case report), 266

H

Herniorrhaphy, paravesical granuloma following (case report), 266
Hydrocele, abdominoscrotal, in infancy, 347
Hypercalciuria, diagnosis in children, 385

I

Ileocystoplasty, adenocarcinoma 29 years later (case report), 162
Iliac artery, internal, embolisation to control bladder and prostate haemorrhage, 45
Ilio-inguinal node dissection, use of Scott Ring Surgical Retractor (point of technique), 367
Impotence
bulbocavernous reflex latencies and somatosensory evoked potentials in, 444
diabetic
bulbocavernosus reflex latency in, 59, 63
sacral evoked responses in, 68
unmyelinated fibre sensory neuropathy in, 63
diagnosis and treatment of venous leakage, 151
Incontinence
neuropathic, detrusor behaviour following implantation of Brantley Scott artificial sphincter, 122
sacral neurectomy for, 218
Infertility, clinical varicocele in, 354
Intra-uterine devices, migration into bladder, stone formation and (case report), 363
Intrarenal reflux (case report), 462

K

Ketoconazole as primary treatment of prostatic cancer, 438
Kidneys
carcinoma
bullous pemphigoid and (case report), 361
in vena cava, venous bypass surgery, 401
dysgenesis, and congenital ureteric valve (case report), 362
dysplasia—a clinicopathological review, 398
function recovery after relief of obstructive uropathy, 192
hypermobility, 284
intrarenal reflux (case report), 462
medullary sponge, renal acidification defects in, 392
nephro-ureterectomy, bladder tumours following, 198
oncocytoma, diagnosed by fine-needle aspiration cytology (case report), 534
pelvic, with pelviureteric junction obstruction, vesicopyelostomy for, 405
stones *see* Stones, kidney
transplant, caliceal-peritoneal fistula complicating percutaneous biopsy (case report), 533
transplantation, lymphoceles following, 289
spontaneous resolution (case report), 264

L

Lasers, YAG, in treatment of prostate carcinoma, 239
Lasertripsy for ureteric stones, 487
Lipomatosis, renal sinus (case report), 265
Lithotripsy *see* Electrohydraulic shockwave lithotripsy; Extracorporeal shockwave lithotripsy; Nephrolithotripsy
Lymphoceles following renal transplantation
diagnosis and management, 289
spontaneous resolution (case report), 264
Lymphoma, testicular, diagnosis and management (case report), 99

M
Magnesium, role in calcium oxalate urolithiasis, 107
Magnesium and tartare mixture in prevention of urolithiasis, 382
Malakoplakia
of testis (case report), 262
and ureteric obstruction (case report), 365
Malignant melanomas of urinary bladder (case report), 359
Melanin in prostate gland (case report), 455
Melanoma, malignant *see* Malignant melanoma
Microradiography (x-ray microscopy) of prostate gland, 224
Micturitional urethral pressure profile (MUPP) in diagnosis of urinary outflow obstruction, 224
Muscle, smooth *see* Smooth muscle

N
Nails, yellow nail syndrome and chyluria (case report), 360
Nephro-ureterectomy, modified technique, bladder tumours following, 198
Nephrolithotripsy, percutaneous, pseudo-ureter as a complication, 299
Nephroptosis, 284
Neurofibromatosis, bladder and urethra, presenting as obstructive uropathy (case report), 364

O
Occupational bladder cancer, 175, 183
Oncocytoma, renal, diagnosed by fine-needle aspiration cytology (case report), 534
Orchiectomy, subcapsular, under local anaesthesia, 143

P
Papilloma, inverted, of bladder, along with papillary transitional cell carcinoma (case report), 162
Pelviureteric junction (PUJ) obstruction
diuretic renography, value of post-micturition view, 408
and pelvic kidneys, vesicopyelostomy in, 405
Pemphigoid, bullous, and renal carcinoma (case report), 361
Penis
denervation (point of technique), 167
gangrene, comparison with Fournier's syndrome (case report), 532
pain following prostatectomy (case report), 457
rigidity
measurement, 254
quantification, 254
Peyronie's disease, prostacyclin treatment, 516
Phaeochromocytomas
concomitant benign adrenal and malignant extra-adrenal (case report), 535
giant malignant (case report), 96
Phenytoin toxicity causing priapism (case report), 261
Polyorchidism
case report, 458
with normal spermatognesis (case report), 100
Prazosin, priapism induction by (case report), 165
Priapism
phenytoin toxicity causing (case report), 261
prazosin-induced (case report), 165
trazodone-induced (case report), 94
Prostacyclin treatment of painful Peyronie's disease, 516
Prostaglandins, action on human ureteric smooth muscle, 19
Prostate
cancer/carcinoma
advanced, comparison of flutamide and stilboestrol treatment, 140
combination therapy with flutamide, following castration, 341
early, YAG laser treatment, 239
follow-up, computer-based programme, 336
ketoconazole treatment, 438
metastatic, cranial nerve dysfunction in, 440
papillary endometrioid (case report), 98
subcapsular orchiectomy under local anaesthesia, 143
haemorrhage, control by internal iliac artery embolisation, 45
hypertrophy
comparison of prostatectomy and conservative management, 431
comparison of transurethral prostatotomy and transurethral prostatectomy, 434
melanin in (case report), 455
salmonella abscess (case report), 163
transurethral resection, prevention of urinary tract infection following, 494
x-ray microscopy, 230
Prostatectomy
patients' perception and long-term follow-up, 234
Sushruta's lateral perineal approach, 333
transurethral
control of bleeding by topical ergometrine and thromboplastin (case report), 263
in treatment of benign prostatic hypertrophy, comparison with conservative management, 431
in treatment of benign prostatic hypertrophy, comparison with transurethral prostatotomy, 434
Prostatotomy, transurethral, in treatment of benign prostatic hypertrophy, comparison with transurethral prostatectomy, 434

R
Reflex latencies *see* Bulbocavernosus reflex latency; Sacral reflex latencies
Renal pelvis
formation of heterotopic bone tissue following surgery (case report), 458
tumours, observations in 170 patients, 277
Renal sinus lipomatosis (case report), 265
Renography
diuresis, effect of diuretic-induced urinary flow rates at varying clearances, 14
diuretic, in pelviureteric junction obstruction, value of post-micturition view, 408
Retractors. Scott Ring Surgical, use for ilio-inguinal node dissection (point of technique), 367
Rhabdomyosarcoma, pelvic, in children, 426
Riches, Sir Eric, obituary, 173

S
Sacral evoked responses, in diabetic impotence, 68
Sacral neurectomy, long-term follow-up, 218
Sacral reflex latencies
in detrusor bladder neck dyssynergia, 32
in diabetic impotence, 59
Salmonella prostatic abscess (case report), 163
Scott Ring Surgical Retractor, use for ilio-inguinal node dissection (point of technique), 367
Scrotum
clinical versus ultrasonic investigation, 350
swelling due to perianeurysmal fibrosis (case report), 536
Seminoma, testicular, etoposide, bleomycin and cisplatin in treatment of metastatic tumours, 53
Sertoli cell tumour of testis, chemotherapy (case report), 456

Smooth muscle, ureteric, action of prostaglandins on, 19
Somatosensory evoked potentials (SSEP) in impotence, 444
Sphincters
  artificial urinary, report of 100 cases, 318
  Brantley Scott artificial *see* Brantley Scott artificial sphincter
Stents, long-term double pigtail ureteric, fate of (case report), 261
Stilboestrol, comparison with flutamide in management of advanced prostatic cancer, 140
Stones
  bladder
    complication of ureteric reimplantation (case report), 95
    electrohydraulic shockwave lithotripsy, 498
    following intravesical migration of Lippes loop (case report), 363
  kidney
    in medullary sponge kidney, renal acidification and, 392
    recurrent and residual, in children, 395
  ureteric, lasertripsy for, 487
  urinary tract
    convariance biplot analysis of trace element concentrations, 474
    effect of magnesium on calcium oxalate crystal formation, 107
    in Jordanian children, 482
    nucleation in calcium oxalate stone formation, 468
    prevention, magnesium and tartare mixture, 382

T

Tartare and magnesium mixture in prevention of urolithiasis, 382
Teratoma, testicular, etoposide, bleomycin and cisplatin in treatment of metastatic tumours, 53
Terodiline in treatment of female detrusor overactivity, 310
Testes
  ascent of, 146
  cancer
    association with trauma and temperature exposure, 518
    disseminated Sertoli cell tumour, chemotherapy for (case report), 456
    influence of management on prognosis, 244
    monozygotic twins with 3 different germ cell tumours (case report), 262
    short-course etoposide, bleomycin and cisplatin in treatment of metastatic germ cell tumours, 53
    stage I seminomatous germ cell tumours, surveillance for, 522
    surveillance in management of stage I anaplastic germ cell tumours, 250
  malakoplakia (case report), 262
  polyorchidism
    case report, 458
    with normal spermatogenesis (case report), 100
  primary malignant lymphoma (case report), 99
  subcapsular orchiectomy under local anaesthesia, 143
  torsion, in children, 148
Testicular appendages, torsion, 148
Thromboplastin, topical, in management of bleeding following transurethral prostatectomy (case report), 263
Transurethral prostatectomy (TURP) *see* Prostatectomy, transurethral
Trazadone-induced priapism (case report), 94
Trigone, neurotransmission, an *in vitro* pharmacological study, 304
Tumours *see sites and the types of tumour*
Twins, testicular germ cell tumours in (case report), 262

U

Ultrasound
  in evaluation of scrotal disorders, 350
  use by urologists in out-patient clinics, 74
Ureter
  acute dilatation for ureteroscopy, 27
  congenital valve associated with renal dysgenesis (case report), 362
  long polyp (case report), 461
  obstruction
    malakoplakia causing (case report), 365
    secondary to endometriosis, 201
  pseudo-ureter, complication of percutaneous nephrolithotripsy, 299
  re-implantation, bladder calculus as complication (case report), 95
  smooth muscle, action of prostaglandins on, 19
  stents, long-term double pigtail, fate of (case report), 261
  stones, lasertripsy for, 487
  tumours: observations in 170 patients, 277
Ureteroscopy, acute ureteric dilatation for, 27
Urethra
  congenital polyp in adult (case report), 531
  neurofibromatosis (case report), 364
  reconstruction, combined free autologous bladder mucosa/skin tube, 505
  ruptured
    management, 375
    Sushruta's lateral perineal approach, 333
  strictures, pedicled preputial patch urethroplasty for, 48
  transitional cell carcinoma after cystectomy for bladder cancer, 507
  variation in resting pressure in women, and its association with lower urinary tract function, 314
Urethrectomy, prophylactic, in bladder cancer patients, 507
Urethroplasty, pedicled preputial patch, 48
Urinary tract
  dilatation in children, 412
  lower, function, association with resting urethral pressure in women, 314
  prevention of infection after transurethral prostatic resection, 494
  undiversion, young adults, 40
  upper, measurement of pressures in ambulatory patient, 465
Urine
  flow rates, diuretic-induced, at varying clearances, and interpretation of diuresis renography, 14
  outflow obstruction, comparison of pressure/flow studies and micturitional urethral pressure profiles, 224
  retention *see* Bladder outflow obstruction
Urodynamic findings following radiotherapy for cervical carcinoma, 213
Urodynamic investigations, antibiotic prophylaxis in, 302
Uropathy, obstructive, renal fuction recovery following, 192
Urothelium, occupational cancer, 175, 183
Uterovesical fistula in patient with VATER syndrome (case report), 361

V

Varicoceles in infertility, 354
Vasectomy, Fournier's gangrene following (case report), 538

VATER syndrome, congenital uterovesical fistula in (case report), 361
Vesico-uterine fistula, cyclic vesical bleeding in (case report), 531
Vesicopyelostomy in treatment of pelvic kidneys with pelviureteric junction obstruction, 405
Vesicoureteric reflux, treatment, 205

X

X-ray microscopy of prostate gland, 224

Y

YAG laser treatment of early carcinoma of prostate, 239
Yellow nail syndrome, chyluria and (case report), 360
Youssef's syndrome (case report), 531

Contents

Original Articles

Methodology, Results and Complications in 2000 Extracorporeal Shock Wave Lithotripsy Procedures
F. Sofras, A. Karayannis, A. Kostakopoulos, D. Delakas, J. Kastriotis and C. Dimopoulos 9

Diuretic-induced Urinary Flow Rates at Varying Clearances and their Relevance To the Performance and Interpretation of Diuresis Renography
S. M. Upsdell, S. M. Leeson, P. J. C. Brooman and P. H. O'Reilly 14

The Action of the Prostaglandins on Isolated Human Ureteric Smooth Muscle
R. S. Cole, C. H. Fry and K. E. D. Shuttleworth 19

Acute Ureteric Dilation for Ureteroscopy. An Experimental Study
Su-Anna M. Boddy, C. C. Nimmon, S. Jones, J. W. A. Ramsay, K. E Britton, D. A. Levison and H. N. Whitfield 27

The Use of Sacral Reflex Latencies in Detrusor Bladder Neck Dyssynergia
B. T. Parys, K. A. Woolfenden and K. F. Parsons 32

Obstructed Voiding in the Female
J. A. Massey and P. H. Abrams 36

Urinary Undiversion in Young Adults
Cumming, R. Cox and C. R. J. Woodhouse 40

Internal Iliac Artery Embolisation for the Control of Severe Bladder and Prostate Haemorrhage
D. S. Appleton, G. N. A. Sibley and P. T. Doyle 45

Pedicled Preputial Patch Urethroplasty
A. R. Mundy and T. P. Stephenson 48

Short-course Etoposide, Bleomycin and Cisplatin in the Treatment of Metastatic Germ Cell Tumours. Appraisal of its Potential as Adjuvant Chemotherapy for Stage 1 Testis Tumours
R. T. D. Oliver, H. S. Dhaliwal, H. F. Hope-Stone and J. P. Blandy 53

Bulbocavernosus Reflex Latency in the Investigation of Diabetic Impotence
B. T. Parys, C. M. Evans and K. F. Parsons 59

The Value of Testing for Unmyelinated Fibre, Sensory Neuropathy in Diabetic Impotence
Clare J. Fowler, Z. Ali, R. S. Kirby and J. P. Pryor 63

Neurophysiological Investigation of Diabetic Impotence. Are Sacral Responses Studies of Value?
K. M. Desai, K. Dembny, Hilary Morgan, J. C. Gingell and D. Prothero 68

An Evaluation of Urologist-operated Ultrasound and its Use in the Urological Out-patient Clinic
S. G. Vesey, G. N. Lumb and P. J. O'Boyle 74

Abstracts of the Proceedings of the Urological Society of Australasia, 40th Annual Scientific Meeting, Rotorua, New Zealand, 1987 77

The Role of Magnesium in Calcium Oxalate Urolithiasis
K. Kohri, J. Garside and N. J. Blacklock 107

Cytokeratin Shedding in Urine: a Biological Marker for Bladder Cancer?
M. T. Basta, A. M. Attallah, M. N. Seddek, H. El-Mohamady, E. S. Al-Hilaly, N. Atwaan and M. Ghoneim 116

Detrusor Behaviour Following Implantation of the Brantley Scott Artificial Urinary Sphincter for Neuropathic Incontinence
K. H. A. Murray, D. E. Nurse and A. R. Mundy 122

Grading in Superficial Bladder Cancer. (1) Morphological Criteria
R. P. E. Pauwels, R. F. M. Schapers, A. W. G. B. Smeets, F. M. J. Debruyne and J. P. M. Geraedts 129

Grading in Superficial Bladder Cancer. (2) Cytogenic Classification
R. P. E. Pauwels, A. W. G. B. Smeets, R. F. M. Schapers, J. P. M. Geraedts and F. M. J. Debruyne 135

Flutamide versus Stilboestrol in the Management of Advanced Prostatic Cancer
A Controlled Prospective Study
F. Lund and F. Rasmussen 140

Subcapsular Orchiectomy under local Anaesthesia (Technique, Results and Implications)
A. D. Desmond, A. J. Arnold and K. J. Hastie 143

Ascent to Ascent of the Testis
J. F. R. Robertson, A. F. Azmy and W. Cochran 146

Torsion of Scrotal Contents in Children
A. W. McCombe and W. G. Scobie 148

Diagnosis and Treatment of Venous Leakage: a Curable Cause of Impotence
Gordon Williams, M. J. Mulcahy, G. Hartnell and E. Kiely 151

Comparison of *in vitro* Encrustation on Silicone and Hydrogel-coated Latex Catheters
A. J. Cox, D. W. L. Hukins and T. M. Sutton 156

Occupational Bladder Cancer. The BAUS Subcommittee on Industrial Bladder Cancer
A Guide for Clinicians 183

The Biphasic Nature of Renal Functional Recovery Following Relief of Chronic Obstructive Uropathy
D. A. Jones, N. J. R. George, P. H. O'Reilly and R. J. Barnard 192

Modified Nephro-ureterectomy. Long-term Follow-up with Particular Reference to Subsequent Bladder Tumours
G. F. Abercrombie, I. Eardley, S. R. Payne, B. H. Walmsley and J. Vinnicombe 198

Ureteric Obstruction Secondary to Endometriosis
Report of Three Cases with a Review of the Literature
S. P. Lucero, H. A. Wise, G. Kirsh, K. Devoe, Mary L. Hess, N. Kandawalla and J. R. Drago 201

Treatment of Vesicoureteric Reflux
Preliminary Report of a Prospective Study
R. J. Scholtmeijer and D. J. Griffiths 205

The Use of Endoscopic Detrusor Muscle Biopsies for *in vitro* Muscle Strip Studies
S. C. W. Harrison, G. N. A. Sibley, P. T. Doyle and D. R. Ferguson 210

Urodynamic Findings following Radiotherapy for Cervical Carcinoma
D. E. Parkin, J. A. Davis and R. P. Symonds 213

Long-term Follow-up of Selective Sacral Neurectomy
